WELCOME TO THE COMIC BOOK UNIVERSES OF **SONIC THE HEDGEHOG** AND **MEGA MAN** --
REALMS UNIQUE & BEYOND WHAT YOU KNOW FROM THE SEGA AND CAPCOM GAMES!
WHERE THE WORLDS OF SONIC AND MEGA MAN HAVE COLLIDED IN THE PAST, AND WILL NOW **UNITE!**

# WORLDS UNITE

## PART NINE

## SONIC™ THE HEDGEHOG

**Sonic** is the fastest, coolest hedgehog there is. He is free as the wind, and fights against the evil ambitions of Dr. Eggman!

## MEGA MAN™

**Mega Man** is a super fighting robot built by Dr. Light to protect his home and family from the evil forces of Dr. Wily.

## THE URGE TO MERGE!

**Sigma**—the villainous mastermind from the future—crossed space and time with the aid of the **Genesis Portals**! Abusing the power of his dreaded **Unity Engines**, he combined **Sonic** and **Mega Man's** planets into one **Unified World**! Then, stealing that world's energy, he fused himself to the planetoid of **Lost Hex** to become **SIGMA-2**!

## COUNTDOWN TO DISASTER!

Still draining energy from the Unified World, SIGMA-2 increased his powers exponentially, gaining the ability to open Genesis Portals at will! He resurrected armies of fallen **Mavericks**—villainous robots who have served him in the past—and sent them to conquer more worlds with even more Unity Engines!

## WORLD WARRIORS UNITE!

**Sonic, Mega Man, X** and **Sticks** have joined forces, rallying together friends and enemies! Against all odds, they've battled scores of Sigma's **Mechaniloids**, the mind-controlled **Deadly Six**, and even themselves!

Now, with the help of allies from other worlds, like the champions of **Street Fighter**, they will use the Genesis Portals themselves to rescue countless universes...

**...and amass the biggest heroic army any world has ever seen!**
